NOTES

Complete location recording systems to any specification are possible, tell us what you are looking for and we'll price it for you.

We have close relationships with numerous other hire companies and if we do not have the gear you require in stock we can usually get it for you.

This list is continually being upgraded as our stocks increase, we will try to keep you informed.

We can also supply a complete design, sales and installation service for either studio or public address applications.

All prices quoted are in Euros and are exclusive of VAT at the relevant rate

Equipment hired for a 7-day-week duration will be charged at a 4 or 5 day rate, depending on the pricing structure of the specific item

We reserve the right to alter prices and specifications without prior notice.

In accordance with terms of business, it is recommended that the hirer insures equipment on hire against all risks for the duration of hire period
